

NOTICE

TO: NSWRA CONSTITUENT MEMBERS
FROM: RNSW Operations Manager
DATE: 22 MARCH 2010
REFERENCE: 2/09.10
SUBJECT: USE OF AMPLIFYING DEVICES

Rowing New South Wales reminds clubs and schools about the use of amplifying devices prior to 7am and after 7pm in the vicinity of residential areas

Please remind all coaches and rowers that prior to 7am and after 7pm, no amplifying devices such as megaphones should be used in the vicinity of residential areas. Could you please ensure that all coaches follow the guidelines and are respectful of the riverside / harbourside residents.

The full details of the Noise legislations can be found on the Department of Environment, Climate Change and Water (formerly the EPA) website: http://www.environment.nsw.gov.au/noise/noise_legislation.htm

If you require further information please contact Rowing New South Wales on (02) 8116 9777 or NSW Maritime on 131 256
