

Dear Rowers,

It's your last chance to win a Pink Lady and donate to a great cause!

2010 is the 100th year of Sydney Women's Rowing Club, the oldest amateur women's rowing club in NSW, and as part of our celebrations we decided to focus on celebrating the lives of women and their families who have experienced breast cancer, and supporting the work of those who care for them. We have set ourselves a goal to raise \$20,000 to further the work of the McGrath Foundation in supporting breast care nurses in rural and regional areas of Australia and educating young women to be 'breast aware'.

Rob and Kate Walker from WinTech Racing, have made this possible by generously donating a beautiful pink single International Racing scull, valued at \$10,540, for us to raffle

If you don't want to miss out on a ticket please contact Helen Zimmerman (on 0412 274 338 or by email on helenz@acl.edu.au) within the next two weeks as ticket sales are closing before the Big Draw at the Centenary Dinner for Sydney Women's Rowing Club on Saturday 31 July 2010.
