The ROWING NSW community has over **4900 members** who we know to be passionate and determined rowers, coaches, officials, volunteers and enthusiastic supporters who continue to make this sport what it is today within NSW.

With over 50 clubs and associated school programs across the State, our community has access to both social and competitive rowing opportunities through Learn to Row programs, junior rowing programs and recreational communities who just love getting out on the water.

With so many ways to get involved and an abundance of rowing opportunities on our doorstep, we have made choosing the right membership simple with an array of membership options, which will ensure we're with you all the way through your rowing journey.

Becoming a Rowing NSW member not only provides you with an array of benefits including insurance coverage whilst training and competing, you'll also be supporting the growth of rowing within NSW. Your membership allows us to push rowing within NSW just that little bit further to ensure the wider rowing community can continue to enjoy exceptional rowing experiences.

## INSURANCE COVERAGE

Your membership fees ensure that you are covered by insurance whilst both training and racing and even attending or volunteering at Rowing NSW sanctioned events. The Rowing NSW insurance program has been specifically designed to cater to our rowing community to protect you when something does not quite go to plan. Insurance coverage is only valid after your membership has been renewed.

## PAVES THE WAY FOR A FIRST CLASS WORKFORCE

Your membership fees assist RNSW in providing the guidance and resources to our affiliated Clubs and Schools, along with their coaches and volunteers. They assist us in helping develop their skills and knowledge. Your ongoing support allows RNSW to deliver mentoring programs and development programs needed for our workforce to enhance the skills of all NSW rowers. Not only have your membership fees enabled us to establish a leading rowing organisation but they allow RNSW to grow, educate and assist our current volunteer workforce.

## FIRST CLASS FACILITIES

Our community is fortunate to have access to a world class rowing facility at the Sydney International Regatta Centre (SIRC). Many of our community members have been able to experience this venue as well as the extensive and unique waterways within our state. Your support allows RNSW to continue to operate and hold regattas at SIRC as well as maintaining and developing the relationships needed for our rowers to train and compete on the various waterways within NSW.

## CONTINUED PARTNERSHIPS

Your support enables RNSW to maintain and grow the strong partnerships we have with our many sponsors and stakeholders throughout the years. These sponsors are a huge part of our rowing community and empower us to deliver high quality rowing experiences, programs and venues.

## ACCESS LOCAL CLUB & SCHOOL RESOURCES

With more than 50 Rowing NSW affiliated Clubs and Schools that strive to enrich the sport of rowing within NSW, our local club and schools have an array of opportunities open to the wider community that allow you to develop your rowing knowledge, experience and network! Being a club or school member with Rowing NSW, you're also eligible to earn points at Championship regattas and other club competitions.

## TRAIN & COMPETE WHILST INSURED\*

Whilst you're training and competing, the Rowing NSW membership ensures that you are taken care of in an incident through the V-Insurance benefits. Insurance coverage is applied at all Rowing NSW sanctioned regattas, competitions, training and fundraising activities. Cover also extends to travel to and from these activities and is 24 hours a day, 7 days a week anywhere in the world. (Excluding USA & Canada).

Only affiliated clubs and members of Rowing NSW are covered under the Insurance Program.

# ROWING NSW MEMBERSHIP OPTIONS TO CATER TO YOUR ROWING JOURNEY

**Rowing NSW has introduced a Single Regatta Licence, which allows club and school members to compete at a single NSW regatta without having to commit to a full-season membership.**

The licence is a flexible membership offering to allow easier access to the sport of rowing in NSW.

The RNSW Regatta Licence is available to all new and returning club and school members of the NSW rowing community. Individuals must be members of a rowing club or school program to access the Regatta Licence.

The licence will be made available throughout the whole NSW season; however, the licence will be valid only for the day(s) of the subscribed regatta. This licence can also be applied to the Australian National Rowing Championships, the Australian Masters Rowing Championships, the Australian Coastal Rowing & Beach Sprint Championships at an adjusted price.

This licence will be applied by club or school administrators in Rowing Manager where they nominate the licence against a member for the chosen regatta, allowing the member to be entered into the nominated regatta to compete. It will only be valid for the nominated regatta where the member is covered by Rowing NSW's insurance policy on the day(s) of competition but not prior to or after the dates of the regatta.

## PRICING

The licence will be priced at \$35.00 (inc. GST). This amount excludes the regatta seat fees, which would be accumulated from competing. This is a fixed price for both metropolitan and regional competitors.

For members wanting to compete in the Australian Rowing Championships, the Australian Masters Rowing Championships, the Australian Coastal Rowing & Beach Sprint Championships the regatta licence will also be available at the cost of \$70.00 (inc. GST), which will allow the competitor to compete across multiple days of racing and still be covered by the Rowing NSW Insurance program only for the days of racing at either National Championship regatta.

## THE ROWING NSW INSURANCE PROGRAM

This program is provided through our partners V-Insurance Group and provides protection for members at all levels across the rowing community. The insurance program has been designed to cover all Rowing NSW affiliated Clubs, Schools and members.

**As a Rowing NSW member, you will receive athlete insurance cover through the Rowing NSW V-Insurance Program and be able to claim benefits if an incident occurs whilst training or racing.**

Note that the Single Regatta Licence is only covered for the days of competition, not prior to or after the dates of the specific regatta.
